Statement about compatible between SECU-A series and ES Uniq series

To whom it may concern,

We, GoodWe Technologies Co.,Ltd, hereby confirm that:

Due to different technical specifications, our battery SECU-A and inverter ES Uniq series cannot be matched, and GoodWe also does not currently have any plans to test compatibility. SECU A is also not compatible with inverters from other inverter manufacturers. For safety matter, we recommend partners and customers to follow the official documents issued by GOODWE. Only batteries listed in the document <Battery Compatibility Overview> are approved for connection to GoodWe storage inverters according to GoodWe Limited Warranty. GOODWE Compatible List on GOODWE official website: <https://en.goodwe.com/>

Should you have any concerns or require further advice on this matter, please do not hesitate to contact us.

Please note that nothing contained herein shall create any binding obligation on GOODWE unless a binding and definitive agreement is reached by GOODWE.
